Deputy Commissioner's Office
Hassan District
Dated Hassan 13th April 1895.

From

The Deputy Commissioner

To

The General Secretary to the
Government of Mysore
Bangalore.

Sir,

In continuation of my letter No. 753 dated 13th inst., about reducing the Travellers Bungalow at Arsikere from the 2nd to the 3rd class, I have the honor to state that at present there are 5 servants at a cost of Rs 26/- per mensum as noted in the margin. Of these servants, the Kotwal is working in Duddu which is on the side of the road leading to Arsikere and where there was always complaint about bad bullocks and general supplies from European and other travellers.

1. Kotwal on Rs 7
1. Cooly on Rs 7 ✓
1 Dandeca on Rs 4 ✓
1. Lobi on Rs 6
1 Sweeper + (illegible) 1

Since the opening of the Railway there is not much traffic on the Bangalore Mangalore road via Hirisave and consequently the retention of this Bungalow in the 2nd class is not necessary. I therefore propose that the services of the undermentioned servants may be dispensed with if unfit for work or provided elsewhere if

if fit.

1. Mahy on Rs. 7/- and 1. Dandee on Rs. 4/-.

As regards the Kotwal, it is necessary to retain him and therefore he may be attached to the Musafirkhana at Dudda. By the dispensing with the Servants above referred to, Rs. 11 is saved. Of this Rs. 2 may be given to the Sweeper and waterman, who will take care of the Bungalow furniture and also to the supplies when needed. In these days of high wages a Serviceable man cannot be employed for less than 6 Rupees. The net saving will be 9 Rupees. The services of a Toli are indispensable in these Bungalows as has been resolved upon by the District Fund Board, in the meeting held on the 9th January last (Copy of the Proceedings was submitted with this office No: 614/5 dated 3rd Ultimo.

By the above arrangement, there will be a net saving of Rs. 9/- effected and the want of a Kotwal at Dudda is also met. The establishment proposed to be retained will be as follows.

Hinsare Bungalow.	Dudda Musafirkhana
1. Sweeper and waterman — on Rs. 6.	1. Kotwal on Rs. 7.
1. Toli ——— on Rs. 4.	

2[illegible]

It is only the local officers that halt in the Traveller's Bungalow at Hirisave, occasionally and the present establishment is not necessary. The matter of the establishment charges being borne by the District Funds owing to the proposed reduction of the Hirisave Bungalow, will be placed before the District Fund Board at its next sitting and formal approval will also be obtained.

I request therefore you will be good enough to obtain Government sanction in the matter.

I have the honor to be

Sir,

With reference to Govt Proceedings No. 18238 dt 25th ultimo, L.F. 7394 calling for certain information connected with the Travellers Bungalow at Nittur, I have the honor to state that the District Fund Board have in a meeting held by them on the 9th last met, resolved to maintain the Bungalow as a 3rd Class one. (Vide copy of Resolution I herewith submitted) The retention of both the Servants viz, the Cook & the Sweeper is necessary

as

as the one does not do the duty of the other.

2. — The employment of a Katwal at Dudda is absolutely necessary for reasons stated in my letter No 761 of 13th ultimo, the frequent complaints are received. Of the village servants, Shambhoyee does not reside in this village. The Patel has no house in this Dakhala village which is on the road side + where the Mustafarkhana + Lodge are situated. The Asli or junior village is half a mile away. The Patel will in due course build his house here. Even if he did, I think the services of a Katwal are very necessary in this place so long as Murikere continues to be Railway Station for Europeans

Europeans

Europeans & Native Assistants. Just at present
when the Assistance Irrigation Railway
Survey is proceeding requisitions from
Government officers & travellers for
carriages & horses are frequent. As no
additional cost is necessary than
what is now provided in this head,
I beg that Government will be pleased
to sanction the retention of this Head.
I shall be the first person to recommend
such removal as cases cease
the necessity ceases.
